club DVD 8.6

Most of the girls we deal with at *Club DVD* are an absolute delight. Sexy, fun, full of life and happy to help ageing pornographers put a magazine together. Very, very occasionally they can be a bit shitty – see our monosyllabic Kimberly Kane interview this month (page 28). At least the pictures are nice. Every other girl featured this month is a charmer we're proud to have gracing these pages. Enjoy the issue...

SMOO NEWS

FROM THE WEIRD WIDE WORLD...

BALLS ICE CREAM!

US sex industry stalwart Caballero Films has been ordered to stop making pornos with titles spoofing Ben and Jerry's ice cream flavours. The Vermont-based ice cream firm sued Caballero over ten movies in their Ben and Cherry line carrying titles such as *Boston Cream Thigh*, *Peanut Butter D-Cups* and *Hairy Garcia* and designed with pictures of fluffy clouds and cows just like their own artery-clogging buckets of fat. Luckily there are plenty of other ice creams and lollies from these shores Caballero can turn to for their titles: how about Pornetto, Dong Twister, Ca-licko or Fanny Foot?

PROPOSITION HOE!

How would you react if a fit young woman propositioned you for sex on the high street? Hell, you'd have her knickers round her ankles and be porking her outside Poundland in seconds. Or would you? The sexual un-pickiness of the human male has been much exaggerated, it seems, judging by a YouTube video **(www.youtube.com/watch?v=5JJFBtHcBnM)** in which attractive young Andrea elicits the following negative responses by asking straight out if you would like to have sex with her: "Have you been drinking?"; "You're gonna be in jail. This is not China." ; "Don't you want to hang out with us first?" ; "I'm going to respectfully decline." And: "Probably not. This is my boyfriend," says one female passer-by. Positive responses included: "Why not?"; "Where do you want to go?"; "That's totally fine with me. I'd better not be getting robbed."; and "Mum, can I call you back?"

Can we do it outside Poundland?

ROGERED BANNISTER!

Sometimes it's best just to stick with three minutes of straight up-and-down missionary. The emergency rooms of the world are filled with those people who wanted to "spice up" their sex lives a little. A naked woman was found with her head stuck in a banister after having sex in a stairwell of an apartment block in Lipetsk, Russia. A neighbour called the police who eventually set her free, but there was no sign of her partner, who had obviously done the decent thing and abandoned his missus buck naked to tell his mates the hilarious story in the pub round the corner.

GEEKS CORNER! WITH JOEL

This month Geeks Corner gives you a run down of our fave cuts to drop during these summer months – opening with Disappears' fourth long player *Era*, which does an intriguing revision on post punk dub minimalism – this is the band's second release to apply their new drummer Noah Leger's motorik sensibility mixed with a tangle of paranoid guitar pyrotechnics coming on like the 'what if?' of Cameron Stallone's cutting for Blackest Ever Black, a definite for fans of Tropic of Cancer and the new New Wave! Next up is Daniel Higgs' stunning release for Latitudes, *The Godward Way* – one single track of breathtaking old timey banjo psychedelia that has been stuck on our playlist since May – we can guarantee it has the same appeal as Michael Gira's Swans at their most dramatic – outstanding! And last but by no means least is the second solo outing for Implodes guitarist Ken Camden. *Space Mirror* is an utterly astounding galactic journey of guitar and FX manipulation melding Radiophonic reminiscences with the timeless widescreen drama of Tarkovsky Sci-fi films – an utterly breathtaking album that will send you to another dimension!

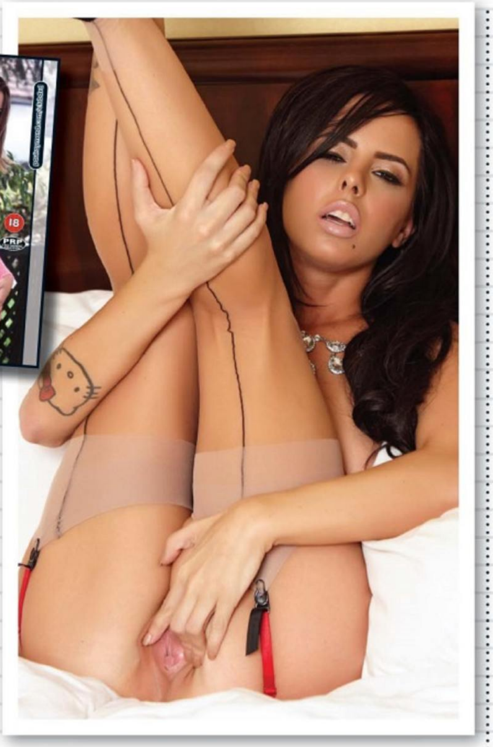
LETTERS

Dear Club DVD,
That brunette called Ava is well hot! Bet you guys were gutted when you found out she's a porn star and you hadn't tried it on with her! Ha-ha! I went to check out some of her 'handiwork', as you put it, but didn't know her full name and Google just keeps bringing up Ava Rose and Ava Devine! Give us a clue, would ya? Cheers guys, keep up the good work!
Stew, via email

Yeah, we were kicking ourselves a bit, Stew, as well as being a tad embarrassed at not spotting a new starlet – it is our job, after all! She is, in fact, 23-year-old Ava Dalush and she's only been on the scene since last year, making a total of 5 movies so far. She's 5'5", boasts all-natural 36C-24-37 curves and is just as pretty in the flesh as she is in her pics, and has been quoted as saying, "It's not size [of a dick], it's the motion in the ocean". We quite agree.

If you want to know even more about the buxom beauty, follow her on Twitter – @Avadalush –or check out Harmony's *Initiation of Ava Dalush* and keep your eyes peeled for Private's upcoming release, *Orgy In Ibiza*, which sees Ava involved in a huge 30-person spunk-fest. We cannot wait!



Dear Club DVD,
Why can't I bump into any of the sluts that write into your Confessions page? I spend my life looking out for horny women who want a quickie with a random stranger, but I never seem to be in the right place at the right time. I figure if you print my letter, my luck might change! Fingers crossed!
Mick, Luton

Ahh, Mick! You'd be surprised how many letters we get about the very same subject, but yours made us chuckle the most! Here's hoping your luck changes – and make sure you write and tell us about it when it does!

Hi Club DVD,
I was flicking through issue 8.5 of your mag, when I spotted a photo on Web News that made me laugh! On the Teens Analyzed website review, the main picture is of a girl in a white T-shirt looking really bored, while her bloke is fiddling with her bits, with a really freakily creepy smile on his face! Urgh!
Sammy, Tyneside

Ha! We hadn't noticed that, Sammy – you get a gold star for being our most eagle-eyed reader! If you've spotted anything funny in *Club DVD*, let us know!

Dear Club DVD,
I felt I should drop you a line to tell you how much more interesting the last pages are in *Club DVD* now that you've changed Ask Em for Six of the Breast, especially the 'Jailbirds' article. I knew that Janine Lindemulder had been to prison, but who would have thought that porn stars were so punchy?
Dave, via email

Cheers, Dave! We're obviously sad at losing Auntie Em, however, the chance to gossip about porn stars' criminal records was too good to ignore!

Dear Club DVD,
Thank you so much! I frickin' LOVE Satin – the girl you had in the last issue [*Club DVD* 8.5 – The Ed]! You had her in years ago and I wanked myself stupid over those pictures for months, but didn't know anything about her to find more pictures of her when the magazine wore out! I'm gonna get the latest pages laminated, I think!
Monkey Spanker, via email

Alrighty then! It's not often we're at a loss for words… So we'll tell you a bit about the lady in question, then maybe you can buy a DVD as well? Just an idea! Her full name is Satin Bloom, she's from the Czech Republic and she's been in the porn game for around 9 years, despite only having released 22 movies. Thankfully, she's never felt the need to enhance her perfect 34A-24-34 figure and her face is one of the most beautiful in porn. And, as for that DVD? We'd recommend *Lucky Bastard 2* from DVSX, or Private's imaginatively titled, *Check-in in my Ass and Check-out on my Face* – she's completely filthy in both, so enjoy!

TOSSARY

Moses – It doesn't take a genius to work this one out – even our teaboy managed to! As you'll no doubt remember from Sunday school, Moses parted the red sea… No? Well, if you enjoy doing your bird when she's on the blob, that makes you Moses, Ok? Easy.

Bush Beater – I call my bush beater Bob. He's a penis.

Beast With Two Backs – The more edumacated amongst you may recognise this old term for a fuck from Shakespeare, no less – see *Othello*'s first act, scene 1: "I am one, sir, that come to tell you your daughter and the Moor are now making the beast with two backs." Thought to have originated from a couple having a screw in the mish or standing position, where, from a certain angle, only the upper bodies of both parties can be seen.

The Lorena Bobbitt – Ladies, this term isn't quite as dangerously violent as it first appears – for a start, it doesn't involve driving off afterwards and chucking your hubby's severed dick into a random field. Next time you're indulging in some good old-fashioned anal, wait until he's firmly inside you, then squeeze your bum cheeks together as hard as you can and thrash around. Your man will feel like his prick's been ripped off, without actually doing so. A perfect position for a bit of revenge, perhaps?

ASFR – Originally derived from a Usenet newsgroup called *alt.sex.fetish.robots* and sometimes known as technofetishism, ASFR describes the (usually sexual) attraction to robots. In some cases, the ASFRian is attracted to humans posing as robots, but in others the android has to be real. We admit to having had a sly wank over the fembots in *Austin Powers*, but try as we might, we just can't imagine getting it on with C3PO.

Chinese Cock Burn – We're sure, like us, you were victims of Chinese burns at school, so you'll be familiar with the concept (if not, that's what YouTube's for) – when your bird's next giving you a nosh, get her to twist her hands around your shaft as she licks and sucks your helmet. The result is a mixture of heavenly bliss, with just a tinge of sadistic pain thrown in. Do try this at home.

Trading Sausages – You may not be gay yourself, but it never hurts to know the terminology! The slang term 'trading sausages' simply refers to two blokes wanking each other off simultaneously.

Muff Teaser – This is exactly what it says on the tin – you tease your lady friend (with fingers, tongue, toys, etc) until she's literally begging to have your man-meat inside her. Next, rub your bell-end around her pussyhole until she can take no more, then jerk yourself off and leave her to it. Not recommended for your wedding anniversary or Valentine's Day – for obvious reasons.

Irrumation – A.K.A. face-fucking or skull-fucking, irrumation is the act of forcibly – and usually violently – thrusting your dick into your partner's mouth. The word 'irrumatio' was used back in ancient Roman times then, though, and any os impurum, (oral sex) was considered as 'defilement'. So widely recognised was the practice, however, that it had a number of old Latin names – our favourite being 'offendere buccam', which means to offend the cheek.

The Melon Dive – Simply put, the melon dive is another name for shoving your face hard between a woman's knockers. Ah, the hours of fun to be had…

Mysophilia – Tossary wouldn't be the same without at least one word that makes you scratch your head, and this is it. Mysophilia, in short, describes the sexual arousal from soiled clothes, dirt and rank smells – the obvious example being dirty knickers. The object(s) of desire, however, differs from person to person; for some it's an item itself, whereas for others it can be the sight of someone else wearing dirty clothes. So the next time you're caught stealing a pair of knickers, you can tell the cops, "It's Ok, I'm a mysophilliac!"

STELLA

Stella is back in *Club DVD*, still gorgeous, still always horny and still obsessed with giving lucky guys titwanks.

"Sometimes men seem scared to ask," she says. "They skirt around the subject. Sometimes it's fun to tease them, but more often I'll just cut to the chase, pull their dicks out and wrap my tits around them. The longest a guy has ever lasted is six minutes until he's shot all over my tongue, neck and tits. How long are you going to last?"

Well, you could probably time a soft-boiled egg by it...

S LA

Torn

After several years of marriage, many people find themselves at a crossroads. There comes a time when they must decide between continuing forward with their chosen person, or going their separate ways, creating a new life for themselves. This decision stems from years of complacency and several other time released factors that have the ability to turn solid marital foundations into ash. A main culprit in a relationship's destructive path is when the passion, intimacy and sexual spontaneity give way to monotony, predictability and sexual boredom. After a while, an assembly line type of existence starts to take hold, leaving you to wonder, do happy marriages really exist or are they simply urban legends?

This is precisely the case in *Torn*, a romantic offering co-directed by Eddie Powell and Jacky St. James for New Sensation Couples that depicts the marital struggles between Steven St. Croix (Drew) and his wife of fifteen years, India Summer (Christine). Consumed with trying to make things work and being a dutiful husband to his wife, Steven's world is turned upside down when he meets Remy La Croix (Mimi), a vivacious art student who makes him feel alive again. Struggling between societal judgment and hurting the woman he is committed to, Steven must decide between following his head or going after the woman who has captured his heart.

The movie opens with Steven and India attending an anniversary party to commemorate the sexually adventurous marriage between Tom Byron and Raylene, Steven's sexy co-worker and friend. Reveling in the excitement of their open marriage, Raylene arranges a tantalizing three-way tryst with Samantha Ryan to excite her husband.

As the party unfolds, Tom and Samantha make their way into the bathroom. "This is going to be one wild night," Samantha purrs, as she spins herself around and grabs hold of the bathroom sink with her natural nails. Swooping in right behind her, Tom rubs his hands along her blue satin dress, admiring her womanly curves with his paws. Peeling her dress up, he spreads her butt cheeks open with his hands and wedges his face between her crack. Now doing a bit of fine dining, Tom busies himself by sloshing his tongue from her pussy to her asshole.

"It looks like you two have already started without me," Raylene smiles, joining the duo who are already deep in the throes of passion. Once together,

Starring: Remy La Croix, India Summer, Raylene, Samantha Ryan, Steven St. Croix, Chad Alva, Tom Byron.

"WITH BOTH TONGUES WAGGING OVER HIS COCK AND BALLS, TOM HAS ALL THE NAUGHTY NECTAR NEEDED"

TORN-ADO!

Couples porn is big business – and Emma Edwards finds out just how big when she joins the cast and crew on the set of New Sensations' *Torn*...

the tasty trio engage in a sultry three-way kiss that leaves all tongues wet and wagging. "I want to watch you girls kiss," Tom moans, stroking his cock to the sight of his naughty wife and her stunning new friend. Really enjoying the flavors of one another, Samantha takes things a bit further by removing Raylene's pink dress. Now naked and fully exposed, Samantha gorges herself on Raylene's fat mommy nipples, squeezing the squishy meat in her grip. "Oh yeah, suck those tits," Tom continues to chant; watching Samantha paint pink lipstick rings around his wife's ripened areolas.

After the girls have serviced each other, they turn their sights on Tom, falling to their knees to give him an anniversary blowjob to remember. With both tongues wagging over his cock and balls, Tom has all the naughty nectar needed to impale both pussies over the bathroom counter. Splicing through both holes in standing doggie, he makes it a point to make both ladies pop before he does. What a gentleman!

"HE PEELS HER GRAY SHORTS DOWN HER LEGS, PLEASURING HER PUSSY WITH HIS TONGUE"

Now excited by the possibility of what the marriage between two happy people could aspire to, Steven hopelessly begins trying to seduce his wife by buying her lingerie, sexy toys and initiating spontaneous sexual encounters, all to no avail. This is precisely the time when Remy, the sexy art student asks Steven if he'd like to participate in an art project she is developing for an important art exhibit. Enamoured by her openness, talent and charm, he happily agrees. Opening up to her like he's never done before, Steven takes pleasure in telling Remy all about his biggest hopes, fears, dreams, and everything in between. With such a cosmic connection, the affair begins, with a simple kiss.

Now feeling guilty about kissing Remy at her studio, Steven tries desperately to sexually reconnect with his wife. While getting ready for bed, Steven grabs India from behind and molds her smallish tits in his hands. "What are you doing?" she questions, dismissing his affection as if it were annoying to her. "I'm trying to please my wife," he charms, with a desperate look in his eyes. Sensing her husband's hunger for intimacy, India passionately kisses him, eventually falling to the bed like two floating feathers.

Licking down her body, Steven comments on the softness of her skin. From here, he peels her gray shorts down her legs, pleasuring her pussy with his tongue. Rolling his mouth around the dampened con-

tours of her pink pussy, Steven thoroughly enjoys the flavors of his wife's wonton. Bucking her hips into his face, it would seem as though India too has missed the Midas touch of her husband's skillful mouth.

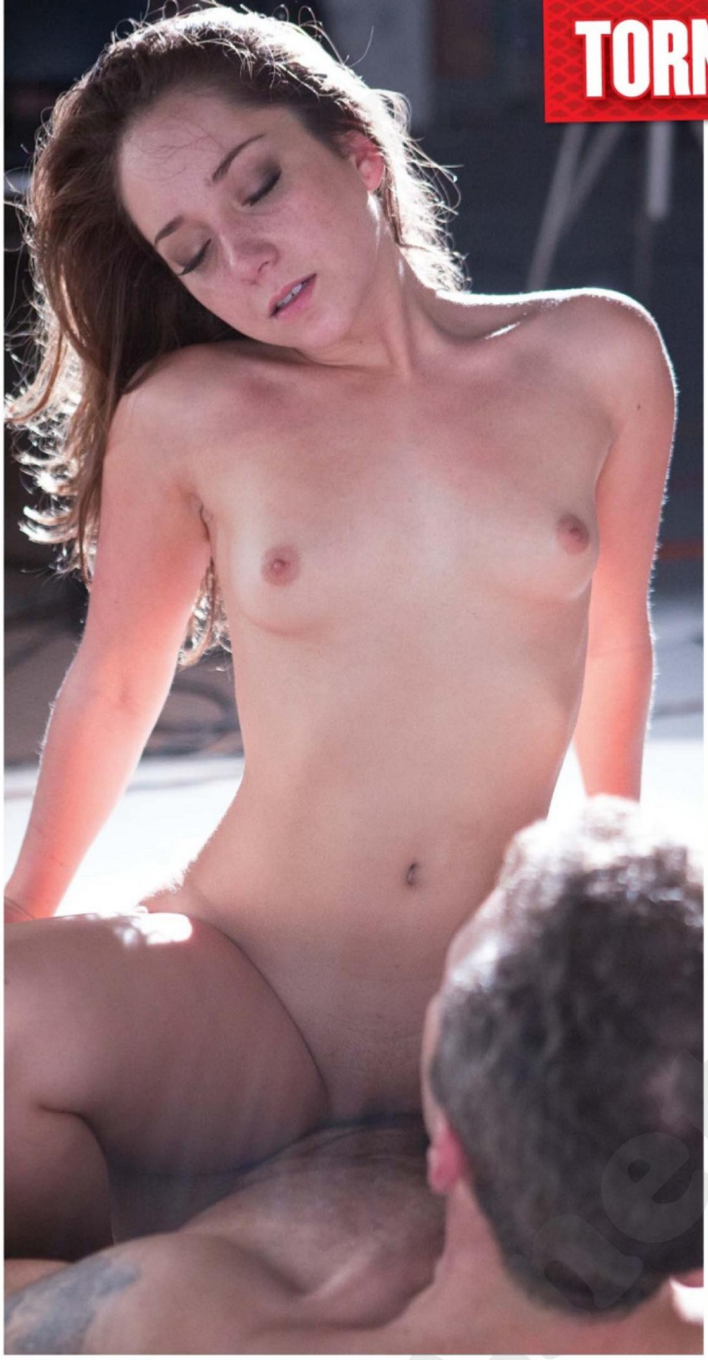
Now fully erect, Steven goes straight into missionary position, entering his wife with a strict sensuality that makes her take notice. Really getting into it, Steven picks up India's long legs and sucks on her pink toes as he continues rocking her world. It doesn't take long before she explodes with a well overdue orgasm that knocks the wind out of her sails. It's a delightful moment for them... but is it too late?

Although a good encounter with his wife, it proves to be a solitary one, making it much easier for Steven to stray once the time comes. And, just like that, Remy strolls back into his life and a whirlwind romance ensues between this May/December couple. Happier and more in love than he's ever been, reality soon steps in, leaving Remy playing second fiddle one too many times. Upset about being a distraction from his boring life and his "fall back girl", Remy leaves the relationship. Both are crushed as a result.

Now distraught over leaving the love of her life, Remy doesn't know where to turn. Coming in to console his best friend from her pain, Chad Alva decides that the best way for Remy to get over Steven is to get underneath someone else. So, in the heat of passion, the two fuck like bunnies across their kitchen. Working out her twisted emotions, Remy spins her hands and mouth around Chad's cock like a stripper around a pole. Loving her aggressive blowjob, Chad sinks his hands into her auburn hair and watches her freckled cheeks fill up with seven inches of his pole.

As the two continue pleasing each other, Chad bends Remy over the stove and starts impaling her pussy from behind in standing doggie. Howling like a monkey, Remy loves the animalistic quality of their encounter, as warm trails of spittle continue streaming from the corners of her upturned lips proving the point. Ending on the ground in cowgirl position, Chad fills her up with plenty more cock before dousing her

> **"REMY SPINS HER HANDS AND MOUTH AROUND CHAD'S COCK LIKE A STRIPPER'S POLE"**



tight stomach with dollops of his homemade cream. It's hot!

Overwhelmed with guilt, Steven decides not only come clean to India about his affair with Remy, but to come clean about his emotions pertaining to their marriage. Obviously shattered by her husband's betrayal, India gets really angry before she sinks into a deep depression that lasts for several weeks. Eventually, the couple really buckles down and decides to work on correcting the problems in their marriage.

The final scene of the production occurs when Steven visits Remy at her art studio. Falling into each other's arms, the two collide in a sea of passion that fuses their lips and bodies together. Running into his arms, Remy scoops her legs around his back as he carries his woman to a nearby sofa. With clothes flying off in all directions, Steven rests Remy against the sofa and gently impales his lover with his pole in missionary position. Wincing upon entry, Remy's little pussy appears to be tight and accepting of his big boy dick. "I've missed you," she cries, planting a row of tender kisses around his neck and ears, as he continues rearranging her inside with the head of his curved cock.

> **"REMY'S LITTLE PUSSY APPEARS TO BE TIGHT AND YET ACCEPTING OF HIS BIG BOY DICK"**

Wanting to experience his lover from another angle, Steven rests Remy on her hands and knees and gives it to her good in doggie. With her hair jumbled around his fist in a ponytail, Steven controls the sexual dance from start to finish. Ending with a splash of semen against his lover's body, the duo looks exhausted but in love.

Now it's your turn to get your hands on this outstanding couple's themed release and discover if Steven's final tryst with Remy was reality or just his imagination getting the better of him. You may be surprised to learn the truth. Is Steven still a man who is *Torn*, or is he embarking on the greatest love story of his life?

KARI

STRIPTEASER

There's so much to enjoy about Kari, it's hard to know where to start. Those deep alluring eyes? Why not? But then you're drawn to the rosebud lips, that would look so, so good with a cock between them. But that would distract from the perky tits, so suckable, a perfect mouthful. And then there's her gorgeously pink pussy, which we just want to dive into. And that puckered hole round the back? That too. Good job you can take your time and enjoy it all, eh?

KARI

KARI

I could probably give a better interview now!

Hi Kimberly, could you tell us a bit about yourself, please?
I'm a performer, director and photographer. I've been in the adult business for 10 years this year.

It's well documented that your mother was a porn producer; is this true, and if so, did it impact on your decision to embark on an adult career yourself?
My mother produced two softcore movies in Portland. She wasn't in 'mainstream' porn, but she did do really creative stuff and that was inspiring.

What were you doing immediately before you became a porn star?
I was dancing. Before that I worked at a car lot and before that I was in school.

Yeah, I could do a better one with my mouth full!

What has been your worst non-adult job?
Working at the car lot!

Were you nervous your first time in front of the camera?
Of course, but everyone made me feel really comfortable.

What made you decide to direct your own movies?
I got the opportunity and I took it. I was very nervous but I just did it! Just do it!

Can you tell us about your latest movie for Vivid, Orgy University?
It's loosely based on *Carrie* but it's an original script and plot. It's creepy and very sexy but also funny.

What have you learned about sex – and yourself – from your adult career so far?
I've learned more then any human should ever know about sex!

Congrats on your award wins over the years. How important are they to you and where do you keep them?
I keep them on my shelf in my office and they remind me of my 'hard' work.

What type of scenes do you enjoy the most?
Threeways are always fun!

You've made nearly 350 movies as an actress – do you ever get bored?
There are peaks and valleys in performing – some days are great and some are mediocre.

What's your favourite 'nasty' act?
Rimming.

SUGAR KANE!

After a decade in the porn spotlight, sexy superbabe Kimberly Kane knows a thing or two about sex and the industry. She opens up (well, not all that much!) to Tamara Noon about fantasy fucks, good sex, and her new movie from Vivid, Orgy University…

> **"GOOD SEX RELAXES YOU AND YOU LET GO OF ALL YOUR BULLSHIT AND JUST HAVE A GOOD TIME"**

Do you have any sexual fantasies that you haven't fulfilled yet, either on film or in your personal life?
I think I've done it all.

Is there anything you wouldn't do on film?
A lot of things I won't do. Mostly disrespectful or illegal acts I will never do.

Who, in your opinion, is the best shag in porn?
Belladonna, Dana DeArmond, Aiden Starr, Manuel Ferrara, James Deen, Mr. Pete.

Are you an exhibitionist?
I don't really think about it is exhibition, I think of it as performing. I don't mind that people are there.

What is good sex?
Good sex relaxes you and you let go of all your bullshit and just have a good time, getting lost with your partner.

What do you think you're best at sexually?
I like kissing, I think I'm good at that.

How often do you masturbate?
About 4 times a week.

What's the largest number of blokes you've fucked at one time?
Six.

Honestly now, does size matter to you?
YES!

What is the most sensitive part of your body?
My feet.

What turns you on?
Brains.

And what turns you off?
Interviews. [Really? You can't tell… – Ed]

What do you look for in a prospective fuck?
Brains and penis size.

Are you dominant or submissive?
Switch.

Hard 'n' heavy or soft 'n' sweet?
Both!

IN 2011, KANE WAS USED ON THE COVER OF TASCHEN'S BIG BOOK OF PUSSY, AND IN 2012, HER PHOTOGRAPHY WAS FEATURED IN TASCHEN'S THE NEW EROTIC PHOTOGRAPHER'S BOOK. BOTH BOOKS ARE WELL WORTH CHECKING OUT…

Realistic gonzo or big budget, glossy feature?
Realistic gonzo.

Were you a porn fan before you started out in the sex biz?
Yup, I absolutely was.

And do you remember what the first porno you ever saw was?
Chi Chi La Rue's Vivid features & an Andrew Blake movie.

What has been the most enjoyable job you've had so far in your adult career?
I love the people in this business. I love having the freedom to make my own movies and live a very fulfilling life.

What makes your movies special (either as a star or director)?
My movies are known for having a lot of style with really hot sex.

Do you like to have sex to music? If so, what kind?
Naw, too distracting.

What's the best way to get you off?
Not really that easy.

Would you date a fan?
Probably not.

What is the weirdest or craziest thing a fan

KIMBERLY SAYS SHE'S PARTICULARLY PROUD OF HER PHOTOGRAPHY. MAKE YOUR OWN MIND UP AT HTTP://KKSHOT.TUMBLR.COM.

has done for or to you?
I get letters from a guy in Canada and he writes all over the letter and demands I read his letter (which is 10 pages long) because he's dying. Well, he isn't dead yet – he's been sending these letters for years.

Do you have any funny on-set stories you can share with our readers?
Do men actually read these interviews? [What the fuck do you think? – Ed]

Who, out of all the 'celebrities' in the world, would you give anything to fuck?
Sean Penn and Ryan Gosling.

We hear you have been known to play a bit of Dungeons & Dragons...?
Yes I do. I just got new dice and I'm hoping to play soon.

What do you do with yourself, other than shoot porn?
I work a lot, but when I'm off I like to take my dog to the park, I go to spin class, I vacation and then back to work.

What are you proudest of?
My photography.

> "I LOVE THE PEOPLE IN THIS BUSINESS. I LOVE HAVING THE FREEDOM TO MAKE MY OWN MOVIES TOO"

What inspires you?
Photography & travel.

Can you tell us something that your fans would be surprised to learn about you, please?
I'm not always a cynical, sarcastic bitch. I have a soft side too. [We'll take that under advisement – The Ed]

What are your plans for the future?
For the near future? I have a lot of directing in my future and building my own business.

What's the best piece of sex advice that you can give to our male readers?
Don't learn all your moves from porn, be connected with your partner and don't try so hard... Just be hard.

And finally, how can our readers get in touch with you?
Twitter... @kimberlykane

HOSPITAL BALLS!

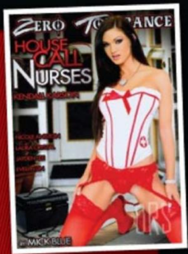
A porn film about sexy nurses? Okay, *House Call Nurses* might not be set to explode your mind, but with veteran stud Mick Blue calling the shots and a host of smoking hot babes, it will definitely explode your balls...

House Call Nurses

Starring: Kendall Karson, Nicole Aniston, Evelyn Lin, Jayden Lee, Laura Crystal, Mick Blue, Toni Ribas, David Perry.

Directed By: Mick Blue.

Available From: Zero Tolerance.

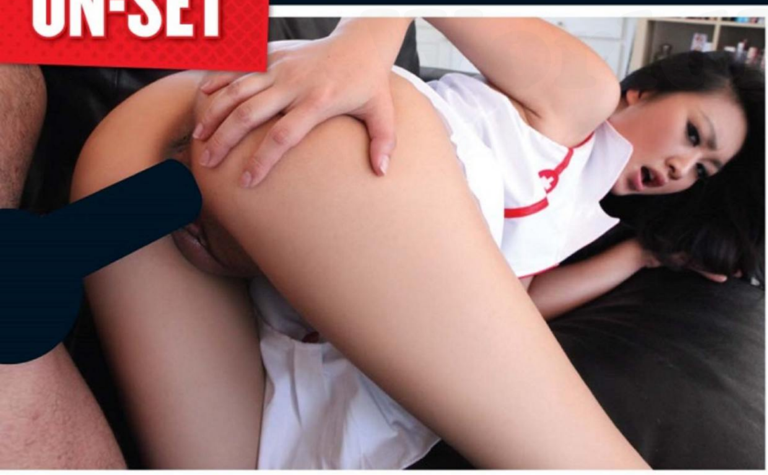


Close your eyes and imagine a bustling hospital. You probably see busy nurses in oversized smocks, pushing gurneys around stark corridors and speaking medical jargon that is impossible to understand. While out saving lives, these medical heroines are undoubtedly surrounded by blinking machines, stacks of file charts and are nestled behind paper-thin curtains. Generally, their day-to-day lives don't necessarily parlay into what we would imagine to be a sexy scenario. Well, that is until handsome director/performer, Mick Blue gets a hold of this concept, inserts it into the porno machine and spits out a team of salacious starlets who are down for a little TLC in *House Call Nurses*, his latest injection for Zero Tolerance.

Today, David Perry is the first patient in need of some sexual healing, when Nicole Aniston, a hot blonde nurse, discovers him outside, suffering from the ill effects of sunstroke. Severely dehydrated and in need of some naughty nectar, David can't wait to be rushed inside and seductively serviced by the blonde bombshell. "Cool me down," David pleads, instantly springing back to life once he gets a look at Nicole's bulging tits and bangin' backside that are spilling out of her skimpy bikini.

Lounging her patient out against the white sheets, Nicole, the dutiful nurse, is quick to cool him off by removing his swim shorts and placing wet towels across his chest. "Does this feel better, baby?" she seductively enquires, eager to remedy him with some of her skillful lip service. "You need some hydration and luckily for you, I have all the moisture you need," she purrs, "But, not yet!"

Now straddling his lap, Nicole eases her way down his body, as if scaling the peaks and valleys of Mount Everest. Once she's face-to-face with his cock, she wraps her thick lips around the head and begins power sucking like a wind tunnel vacuum. Soon, her hands are following her mouth in succession, implementing a corkscrew method of squeezing his shaft. Undoubtedly, she mastered this special skill in medical school.



"CLOTHES ARE FLYING IN ALL DIRECTIONS AND THE TWO ARE NOSE DEEP IN EACH OTHER"

After about ten solid minutes of mouth to cock resuscitation, Nicole spreads her legs wide and finally offers David the liquid love he so desperately needs. Funneling his lips around her wet hole, David loudly slurps her syrupy contents, collecting her dewy droplets on his tongue like raindrops on a fallen leaf. "Bring me back to life," he pleads, going in for another mouthful of gooey goodness that seems to make his cock grow even larger than before.

Now orally satiated, he places her on her hands and knees, taking the dominant position of power behind her crouched frame. Reaching underneath her body to grab her bongos, David tears into Nicole in doggie position, stealing the breath from her lungs with his powerful pumps. "Yes!" she charges, later cradling his cock between her tits for a milking session that leaves her donuts glazed with his homemade icing. It's the perfect way to begin!

In the next encounter, Mick Blue is in desperate need of some raunchy relief after straining a muscle in his back. Answering his call of booty is Asian hottie, Evelyn Lin. She arrives at his house wearing a slutty nursing uniform, red stilettos and sexy bare legs that make her look irresistible. With a gorgeous smile that accentuates her almond-shaped eyes, Evelyn is quick to mend the Euro stud back to health. "Let me massage your body and make it all better," she insists, working her small hands into the curve of his masculine shoulders.

Leaving a wet trail of pussy milk down his pants, it becomes quite obvious what this whore-iental is in the mood for. "May I suck it better?" she flirts, working her small mouth around his cock, implementing a gentle finesse that showcases her youthful freshness. As Mick's cock wrestles down her throat like a plumber's snake excavating a clogged pipe, Evelyn gags and spits, really trying her best to handle his cock like a big girl. "You look so pretty with my dick in your mouth," Mick encourages, giving Evelyn the confidence to take him a tad deeper.

After administering him the best of her Asian persuasion, Evelyn leaps on his lap in cowgirl position and is ready to raise and rope his bronco. Very proficient in the art of cock riding, Evelyn excels in this position, getting her ass bobbing up and down for the camera. "I'm going to treat you so well," she howls, unzipping her dress so her tits spill into his waiting mouth. Now, with a mouth full of titties and his palms full of her ass, Mick takes over by fucking her hole silly from underneath. "My shoulder feels so much looser," he exhales in relief, right before dousing this spicy slut with a splash of wasabi.

Meanwhile, Kendall Karson is outside on the balcony, spreading her pussy and asshole open for the camera, finishing her sultry tease session before the big show. Now ascending a bank of stairs, Kendall is happy to learn that Spanish swordsman, Toni Ribas, is the man standing on the other side of the door. Deep in the

throes of working out, Toni's body is sweaty, bulging and wet. Squatting beside him, Kendall asks, "What is your medical emergency?"

"I have a sprained ankle," he declares, unwrapping the bandage from his leg to show her the swelling. Eager to check him out and offer him her best TLC, Kendall straddles his lap in the sixty-nine position.

In a matter of moments, clothes are flying in all directions and the two are nose deep in each other's crotch. Lapping up his naughty nurse from anus to clit, Toni makes good use of her pink holes. Offering him the same oral expertise, Kendall secures her lips around his cock, making it a point to pay extra attention to his meatballs.

Obtaining a dominant position, Kendall positions herself on his lap in reverse cowgirl position. Grazing his cock with sharp hip movements, Kendall clearly knows the exact way to ride her stallion to the finish line. "You want me to keep riding your fucking cock?" she demands, later stabbing the heels of her shoes into the weight bench for better traction.

After a flurry of vaginal gapes and plenty more pussy pumping positions that make her pop, Toni sets Kendall up before him, using her pretty face for target practice. With a hail of white bullets streaming from the tip of his stick, Toni draws a perfect bull's eye... literally!

In the final encounter of the day, Jayden Lee pays Mick Blue a house call when he complains about having some personal issues "down there". Stripping him from his clothes, Jayden is eager to get right to the root of his problem. "What exactly is the problem?" she questions, beginning softly to squeeze his cock in her palm. "It only gets half hard," he frowns, concerned about his manhood.

Literally growing in her grip, Jayden offers Mick a hands-on approach, and is keen on curing his ailment. "Seems to be alright," she smirks, continuing to twist her hand around the head of his cock whilst fucking him with her beautiful eyes. "But just to make certain..." she maintains, now pounding her mouth with his pole like a pro.

"MICK EXPLODES IN THE ULTIMATE SIGN OF HEALTH, DRENCHING HER PRETTY BODY FROM NAVAL TO NOSE"

Once fully erect and ready to get to the next phase of the healing process, Mick gathers Jayden in front of his body in a romantic spoon position. Holding her ankle up and pulling her red panties down, Mick sails his cock into her slippery slit. Already slamming her body back to better connect with his hammer, warm trails of pussy paste begin seeping from between Jayden's tan legs. "Are you feeling better now?" she gingerly questions between humps, squeezing her incredibly perfect tits when the pleasure becomes too much for her to bear.

After a few more powerful positions that are meant to strengthen his cock muscles, Mick Blue explodes with the ultimate sign of health, drenching her pretty body from naval to nose. "I'm cured!" he cheers, "But, just in case, how about you come back to check on me tomorrow?" Now that's the perfect way to nurse his boner!

Although our time on set ends here, we're happy to report that there is still more sexual healing that takes place when Laura Crystal resuscitates Mick Blue's ailing cock by sucking it back to health. With girls as hot as Nicole Aniston, Kendall Karson, and Evelyn Lin at your service, how can you go wrong? So do yourself a favour and make that House Call. Naughty nurses and your pathway to a clean bill of health are only a few strokes away!

LANE

US hottie Lane was a new one on us when she arrived at our studios for her photoshoot. By the time she'd left, it's like we'd known her for years, such is her charm and her ease with people. Of course, this was made somewhat easier by the fact that she never put any clothes on. Long after the photoshoot she was still sat there on the studio sofa, sipping on a cup of Earl Grey, wearing nothing but her birthday suit. We imagine she's the most distracting flatmate you could possible have...

CURRIE ON...

THE INTERNET!

As debate rages about the effects of internet porn on today's and tomorrow's generations, our resident porn legend Karina Currie weighs in on this issue...

After all the latest noise in the news concerning porn, the Internet and the supposed damaging effects on children who can and do view porn through the Internet, the BBC included a section all about this on *Newsnight*, hosted by Jeremy Paxman.

Shown on BBC2 on Wednesday the 14th of August, with a surprisingly even panel of porn supporters and their counterparts, the section opens with a clip of the beautiful Michelle Thorne with her partner Stefan Hard, being filmed for a subscription based website by one of Britain's most successful adult movie directors, Laura Macrow. Hmmm, now this was starting to look like it was actually going to be a much more balanced debate instead of the usual porn lynching that was more in keeping with the mainstream's way of editing anything to do with the subject!

Apparently since the arrival of free porn on the Internet, the enjoyment and consumption of porn has risen exponentially, with the UK supposedly making up 5% of the worldwide traffic to just one of these free sites alone!

Peter Johnson, who runs the authority for television on demand which regulates on demand porn in the UK, states that this change in business models in regards to the supply of free porn sites mostly owned by a company based in Luxembourg called Manwin has driven this increase in our porn use.

That's kind of stating the obvious though and any sensible person would agree, when there's something out there for free, and so easily accessible, then people who previously could not afford memberships, or access porn sites because of the inability to do so, whether it's because they didn't have a credit card or appropriate payment methods, now have the doors wide open to them.

There are quite a few major downsides to this, of course, such as the fact that this enables people to view content that cost quite a bit to produce in the first place and thus means less and less professional porn producers actually shooting content for distribution. There's obviously also the issue of the ease of access to the underage consumer.

It's also been suggested by Mr Johnson, who was formerly head of policy at the British Board of Film Classification, that this free market has changed the

viewers tastes in their porn preferences. He says, "I think over the past 15 years there has been a marked change in the nature of pornography being offered. We're talking about a subtext of violence, hair pulling, slapping, spitting, abusive language during sex – the very extreme gender power relationships in which the man is all powerful and the woman is submissive."

This view is countered by Laura Macrow who quite sensibly states that censorship has actually driven a toning down of the content she films to enable her to obtain the classifications needed to distribute her product on encrypted UK adult channels and also to her USA customers.

When asked if she was concerned about the type of content that Mr Johnson was referring to, she replied, "I'm not worried about that. In a movie if a girl asks for that, that's a consensual act which she's wanting, she's asked for it. If it's given to her when she's not, then obviously we'd have to take it away in the edit. I shoot for everything on a platform and fulfill that guideline as I don't want to overstep that mark."

Yet Mr Johnson persists in his blinkered views and tells us that over the years he's been involved in regulating this sector, "Porn producers who started off with an ethos of, 'We're not going to go down an abusive route, we're going to make nice pornography' have tended to move towards stronger and more abusive material." Mr Johnson says, "That's where the market drives them. That's where customers appear to want more extreme content."

I don't think he realises that, in general, the use of porn is not an essential part of people's lives but more about escapism and fantasy at an appropriate time, usually in the privacy of their own home and often with a partner present. As with all recreational pleasures, be it sex, drugs or rock and roll, there will always be those who become addicted to the stimulant of their choice, but this has never been the majority of consumers. So why is it, I ask, that the minority are always heralded as the outcome of such dalliances in recreational pleasures if we do not take action immediately and ban, criminalise and persecute the end users?

"THE USE OF PORN IS NOT ESSENTIAL BUT MORE ABOUT FANTASY AND ESCAPISM"

In regards to underage users then, yes, I agree that there should be steps in place to deter children. But any tech savvy 15 year old will get around any age verification software, so maybe then we just have to accept that the younger generation will search for sexual imagery and therefore parents should educate their children as to what is normal reality and boost their self confidence in other ways so they don't feel the need to bend to the suggested pressures to perform in the same way as porn stars or even their favourite movie stars, be it Bruce Willis or Angelina Jolie.

Using the 'protect our children' excuse to put the kibosh on porn via the Internet is ridiculous. What comes next? Horror films? Action movies? Parents need to be the ones to censor their children's viewing or gaming choices, not the government, and using free porn as the scapegoat is just the start of a dark and unsettling move towards the loss of our freedom of choice.

BRIGITTA

When Brigitta visited our offices for this photo shoot, she was surprised by our very British reserve.

"There I was, totally naked, and you boys did everything but look at me. You looked at the floor, you looked at the ceiling, you looked at each other, but never at me."

It's called being polite.

"I don't want you to be polite. I don't do this for you to ignore me. I get naked so you'll look at my body and, hopefully, get an erection."

Oh, we most definitely had those...

MARRY

Marry Queen is quite the athletic type, and takes fitness very seriously. But that doesn't mean tedious hours at the gym or pounding the asphalt.

"I tend to keep fit in more fun ways," she reveals. "Sex is always good – I go on top and squat up on down on a hard penis. It's great for my thighs. More recently I had a dancer's pole installed in my house. There are lots of exercises you can do with those, and that has come in really handy. And when I don't want to do any exercise, I can just put on a show for a guy or girl. Of course, that ends up in sex which is even more exercise. I can't escape it!"

CONFESSIONS OF A DIR

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

I'll admit it – I'm hooked on dogging. It all started about a year ago, not long after our second anniversary. Sex had tailed off and got a bit routine, which we thought was normal, but we've found our spark again now.

Chris is a petrolhead and took me out for a drive in his latest car. His "new toy excitement" rubbed off on me, and we started touching each other up – like he'd stroke my knee and thigh when he changed gear and I'd give his crotch a rub through his jeans when we stopped at lights or a junction.

On the way home we took a detour via a backroad and Chris pulled into a lay-by. We started snogging in the front seat, Chris putting his hands up my top and inside my bra to grab my tits as I fumbled with his flies. Then we took it into the back seat. Chris loves it when I sit on his cock, so soon he had me dripping wet and straddling him, his mouth locked on one of my nipples. Every suck had me clenching tight on his shaft, and moaning out loud.

As we were fucking, a few cars drove past – none stopped, but one did slow right down. I reckon the driver must have known what we were up to, and the thought that he – or she – got a good eyeful of me bouncing on my husband as he sucked tit got me even hornier. I arched back slightly and Chris slipped a hand between us, and I started to cum as soon as his finger found my clit.

Back at home he said he hadn't planned on it being an exhibitionist thing but we realised that aspect had turned us on a lot. So I guess dogging was the obvious next move. There are a few sites local to us but we went to one further away, and decided we'd just start off with me wanking so that Chris could drive off fast if things got lairy.

We had a bit of a snog to get my juices flowing, then parked up. Chris flashed the headlights a couple of times and we had the interior light on. I stripped off my dress – no undies – pushed my seat right back and, hands trembling, got out my vibrator and started playing it over my clit. As my pussy started to tingle from the familiar buzz I shut my eyes. I didn't get so lost in the sensations that I forgot where I was, and when I snuck a peek I started to see people moving about. Chris says they were wary at first, but as soon as the first one or two saw we were the real deal, they all hopped out of where they'd been lurking!

In the end, we had about ten blokes around the car – just watching, feeling themselves up or openly tossing off. I didn't really look at their faces, just focused on the cocks – big, juicy hard-ons. My mouth was watering and I grabbed Chris's hand and started sucking his finger. This stepped up the sensation in my pussy – by now I was plunging the vibrator into it, then pulling it out to give my clit more attention.

My eyes kept moving to one particular bloke – I'm not sure he had the biggest prick but it was rigid and I kept imagining how it would feel to cram it in my mouth or have him slam it up my snatch.

This soon had me desperate for a fucking and Chris's prick was like a flagpole. He'd worn tracksuit bottoms for easy access, so we shuffled about until I was sitting on him again – him in the passenger seat and me on his lap, facing away this time. His cock sunk into me and I bounced on it as much as the space would allow, then just took it in deep and ground on it, reaching down to give his balls a rub.

My other hand kept the vibrator on my clit, which soon had every inch of my snatch clenching around his meaty prick. Meanwhile Chris's hands were on my tits, kneading and pinching my nipples, sending little jerks and pangs through me.

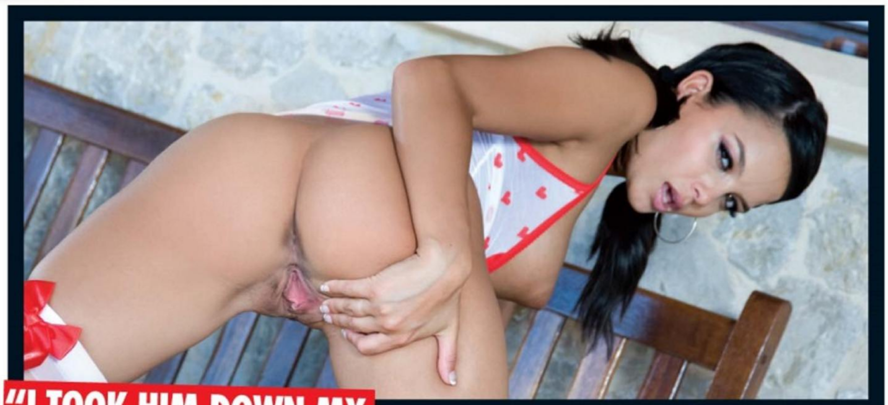
The first of the blokes to cum turned away so I didn't see it happen, but I heard him groan and knew his jizz would be spraying out to soak the grass. Then I went back to staring at that other cock again. Because I wasn't focused on trying to orgasm, it took me by surprise. One second my cunt was like a vise around Chris's length, then next it started to ripple and I couldn't hold back. He fucked into me harder, letting go now I'd had my pleasure, but my eyes were fixed on that other dick.

I felt Chris's body tense then a hot, pumping burst as he dumped his load deep inside me. He slumped and I used the vibe to tease out one last tiny orgasm as I finally saw the other guy hit the brink. He wasn't as shy as the first one, but he did take a step back and jizz all down his hand rather than on the car.

We drove home as soon as Chris recovered and didn't really talk about it until the next afternoon. Chris said he was sorry, that I'd obviously hated every minute of it and he shouldn't have talked me into it. I told him there was no way I'd have agreed to it if I hadn't been sure, then confessed the truth about what I really regretted – that we hadn't asked anyone to join in (although I didn't admit I meant a specific guy). Even if he hadn't

"HIS COCK SUNK INTO ME AND I TOOK IT IN DEEP AND GROUND ON IT, REACHING DOWN TO GIVE HIS BALLS A RUB"

# of TY DOGGER!



"I TOOK HIM DOWN MY THROAT TO SEE IF I COULD, THEN USED MY TONGUE AND LIPS ON HIS HELMET"

fucked me, I'd have liked to suck him off, or just stick a hand out of the window to toss him. Chris seemed relieved and we agreed we'd go back there again.

We went on the same night of the week as before and I secretly crossed everything that my wanker would turn up. This time Chris got involved in the foreplay – I leaned back against him, one leg up on the dashboard and the other over the back of the passenger seat. I had a dildo jammed in my cunt while he used the vibe on my clit.

With no sign of my voyeur I got nervous. Chris wanted to see me with another bloke, but I wasn't sure I could do it with a random stranger – not yet anyway. Then suddenly, there he was. I moved to my window, wound it down and beckoned him over – grateful that no one else tried to barge in.

"Let's see that cock," I said. He started wanking it and in the dim car light it looked even bigger than the last time. Right then, I really wanted to fuck it but I didn't want to leave Chris hanging. I reached out, felt the shaft – all smooth and heavy, then slippery as I worked the precum oozing from his tip along his length.

"Can I suck it?" I purred.

Chris and I moved into the back seat again, with one door open. Everyone crowded around – some of them jostled for a better view, but I ignored them – I just gave the anonymous cock another quick wank for luck, then took it in my mouth. It tasted clean and salty, and filled my mouth at less than halfway in. I took him down my throat, just to see if I could, then used my tongue and lips on his helmet, while my hands took care of his shaft and balls. He was a gent about it – no pulling my head, but I let him slip out for long enough to tell him to fuck my mouth.

Chris meanwhile putting the doggy into dogging as he buried his prick in my snatch from behind. He just stirred it around deep, but as the stranger started thrusting, he started humping me to the same rhythm. For all the stranger's cool, he didn't last that long. Within just a couple of minutes his balls bunched up, then he flooded my mouth. As he staggered back, Chris gave it to me hard, crouched over my back to avoid headbutting the ceiling, which made our fucking look even more animal. But when he hit the final stroke he pulled out, slapped his wet cock along my arse-crease and soaked my back with his warm cream, as a bonus for our pervy new mates. I opened my mouth to show them the cum pooled there too.

My stranger wandered off right after cumming but the whole experience had me buzzing – as we drove away I waved "Goodnight, gentlemen!" And as soon as we got in, Chris had me on the couch, missionary style so he could tell me face to face what a filthy tart I was.

That was just the start of it. Maybe I'll write again to give you more dirty details of the men – and couples – I've fucked since. One thing we haven't done is local dogging, but we're gearing up for that. I like to think that someone we know will turn up, cock in hand. Maybe I'll fuck or suck them, but the risk of our secret getting out gets me so fucking wet!

CREATIVE SIGNATURE SERIES D5XM & DSXM

If you're old, you may remember the days when it was either a) go and buy a Phillips all in one sound system from Argos and have done, or b) be brave enough to enter into a proper Hi-Fi store and have to try and work out which amplifier, tape deck, turntable, CD player to buy with which speakers and which cabling, whilst dealing with the local nerds pointing out your lack of knowledge at every turn. Those days are gone, but if you still take music played from your phone seriously then this combination of soundbar and subwoofer from Creative is quite something. Especially when you consider it can pair with any of your devices and then calibrate the output of your speakers to suit the size and shape off your room... you may just need one of those aforementioned nerds to help you with that last bit though!

Pros: Room calibration. Great sound.
Cons: No built-in AirPlay support.

HTC ONE MINI

HTC are about to pull off a similar level of hoodwinking that Apple got away with by simply making early iPods white, in taking their flagship smartphone the One and making it a bit smaller. Four or five years ago, this would have been considered a largish handset, but due to the almost tablet-sized things people are pulling out of their pockets these days, the One Mini feels comparatively petite. As well as this, you aren't sacrificing any of its bigger brother's award winning features such as the screen and the innovative camera that uses fewer but larger pixels to achieve great results. Inevitably there's going to be a few drawbacks such as a battery that struggled after a heavy days use and the fact that it comes with maximum 16gb of space. So the original One may still be the... erm, one.

Pros: Slim design. Screen
Cons: Battery life. Lack of storage.

LYTRO CAMERA

Not only does this Lytro light-field camera look like the kind of thing you'd find on an 80s *Doctor Who* episode, but it works with the kind of technology that would have been suitable for the Doctor to explain in a typically patronising tone. In short, it's a camera that captures light information when taking a shot, which then can be used to refocus images after you've taken them. So really now there is literally no excuse for putting that amateur rubbish up on your Facebook page any more. They've actually even improved this latest model whilst keeping its crucially minimalist look, adding Wi-Fi capability and an 8x optical zoom. It's still far from perfect, and we may look back on this model and laugh in coming years as this technology is developed, however, if your main goal in life is to stay ahead of middle England then this is for you.

Pros: Design. The clearly amazing new technology.
Cons: Small screen. Low-resolution shots.

SONY HDR-CX410VE

Sony's product output is so relentless that it's easy to miss the real gems amongst their catalogue. Especially in the area of camcorders that now seem to be solely the domain of tourists from North Carolina. However, if people were to put down their smartphones for a second (and part with a bit of extra cash of course) then they may discover some of the incredible pro features packed into this. The motorized zoom for example takes it from a wide angle to 55x magnification, as gradually or quickly as your finger decides and an interface that allows higher quality mics and video lights. Plus, there's even a kind of floating lens that moves to counter any unfortunate wobble in your hand. So when trying to capture the final throes of the more intimate moments in your life, this could be a truly essential piece of kit!

Pros: Image stabilization. Battery life.
Cons: Still not quite the best zoom on the market. Hefty price tag.

NOKIA LUMIA 1020

Attention all retro-people who miss the old bulky, yellow Sony walkmans, this phone is for you! Not only is it one of the most garish phones you can currently buy, but just like listening to music on the move was the most exciting pastime of the 80s, taking photos of everything for absolutely no reason whatsoever is now the dominant behaviour of 2013 – and this 41 megapixel (!) camera is truly something special.

Images are super sharp and clear and will be difficult to distinguish from a quality compact camera, coupled with swipe and pinch zoom facilities that don't suffer from the same blurring you'd find when doing this with your average smartphone. Oh, we almost forgot it is actually a phone. Is that any good? Well, yeah, yeah it's not bad, but just look at the amazing yellow camera thing in your hand!

Pros: Ultra high-res photos. Proper flash.
Cons: Heavy for a phone.

THE SHORTCUT

(Digital Playground)

Digital Playground's move to features has often perplexed me – although I imagine there's a sound financial basis for it. Maybe their gonzo films just weren't cutting the mustard, money-wise. At least they've got a stable of girls who can handle this stuff, even though the plots are usually laughable and the acting school play level. The plot of this? You don't need to know. But you do need to know that it has the absolutely gorgeous Bibi Jones with a penis inside her, while Lilly Banks, Bonnie Rotten and Christy Mack make this a film with a diverse look.

9/10

The poem on the back of this DVD tells us much that we needs to know: "In a London dungeon deep, perverted rubberfuckers creep, sex is twisted, sex is rough, to play down here you must be tough." We're in Tanya Hyde territory, in the company of some girls we're familiar with from recent Harmony movies. For example, we'd like to know if a single day has passed this year where Samantha Bentley hasn't had her back doors kicked in? She puts in fine work, but so do Jasmine Jae, Brooklyn Blue, Lucia Love, Yuffie Yulan, Tiffany Doll and Angell Summers. It's kinky, it's dingy and it's largely bum-related. We have no higher recommendation.

WICKED PICTURES ALL-SEX
I WAS A MAIL ORDER BRIDE

More plot heavy sex shenanigans from a major US studio, but one that goes above and beyond the call of duty in terms of casting. Pretty much every taste is catered for here, with Asian Asa Akira, Latina Veronica Rodridguez, ebony princess Misty Stone and MILF Ava Addams all in action. And that's without mentioning Brooklyn Lee and Tori Black – both girls who can grace a box cover but also take a mean cock up the arse. The story isn't all that bad, to be honest, but it's these guaranteed hard-on manufacturers who'll stay with you…

CALL GIRLS

Time was when not many British babes were involved in hardcore porn. And those that were, weren't usually the kind of girls who graced magazine covers. Well, not magazine covers at Paul Raymond anyway, we can't vouch for lesser publishing houses… But Bluebird has changed that, ensuring that cover girls get cock – and here we see Anna Lovato, Tommie Jo and Gemma Massey putting their pussies on the line and soaking up some semen. Brit porn has come a long way…

When a website tell us that it's 'the only specialised belt whipping site on the internet' we won't quibble. A) We don't know any different and B) We don't want to get hit with a belt. Even better, for men who like to be on the receiving end, this is a site full of British babes doling out punishment to blokes with things normally used to hold up trousers. There are problems – while recent videos are HD, they're usually released in strange orders, and the lack of a model index is baffling. For all that, though, this is a unique site.

Nope, because here be porn stars and glamour girls wrestling in ways that pretty much always end up with them being naked and stimulated. One-on-ones, tag team matches – they're all captured in HD and with thousands of photos. Stacks of updates and a good breadth of girls? We submit.

WWW.HOLLYRANDALL.COM

Suze Randall was a legendary glamour photographer, and her daughter Holly is following in her footsteps. Here at Paul Raymond we love her photos and her rapport with the gorgeous models she shoots. And her website has come on leaps and bounds as well. While we feel these things look better in print (we're somewhat biased), we can't deny that Holly's site is tempting and well designed. And that downloadable 1080p video doesn't hurt either. With multiple uploads every week, this is one professional adult site that is worth every pound.

Did you hear the one about the joke page in Club DVD?

The Pope was visiting England, so obviously had a state visit with the Queen at Buckingham Palace. Deciding they should make an appearance together, they stepped out onto the balcony and waved for the crowds below, who cheered and took photos. The Queen, feeling a bit gippy, said to the Pope, "Watch this – with just a single wave of one's hand, one can make every Englishman here cheer for a full two minutes." Lifting her hand and waving to the masses, the Englishmen wildly applaud for two minutes, just as she had predicted. The Pope, not to be outdone, says, "Good, but not that good; with just a nod of my head, I can make every Irish and Scotsman in the crowd cheer for a full five minutes, if not more!" The Queen, dubious that even the Pope could make the British public go that wild, tells him to prove it. The Pope smiles, waves to the crowd and then promptly headbutts the Queen.

A bloke says to his blonde girlfriend, "Look honey, there's a dead bird!" His girlfriend looks up and asks, "Where?"

Nike have released a limited edition trainer. They're called Dikes, they have an extra long tongue and only take one finger to get off.

Two boys are playing out in the woods, when one of them noticed some rabbit droppings on the forest floor. "What are those?" he asks his mate. "Oh, they're smart pills," his friend replies, "If you eat them, you'll become really, really clever." The first boy bent down, scooped some up and began to eat them. "Ugh, they taste like shit!" He exclaimed, spitting them out. "See?" his mate said, pissing himself, "You're getting smarter already!"

Having been married for years, I have come to the realisation that if you upset your wife she nags you incessantly, and if you upset her further, she gives you the silent treatment – so surely it's worth that extra bit of effort?

A man is conscious of his tiny penis, so he goes to see his GP about an enlargement, who tells him about an amazing new procedure in which the trunk of an elephant is surgically attached. The man, impressed with the thought of having an extra 2 feet added to his dick, agrees, and has the transplant within a few days.

After he recovers, he invites all his mates around for lunch to celebrate his new-found confidence. They are all tucking in to sandwiches and cakes, when one of the man's friends suddenly says, "Go on, then, let's see it!" Embarrassed by the attention, he is reluctant to just get his dick out at the table, but his mates insist.

So he stands up, opens his trousers, and out flies his penis, grabs an iced bun from the table, and disappears back into the man's fly. His mates are in disbelief at what they've just seen and shout, "OMG, do it again! Let us see it again!"

Cajoled, he reluctantly opens his trousers and again the same thing happens; out whips his cock, grabs an iced bun and zips back in again. His mates are still stunned at the sight, and yell, "Again! Again! Again!" Feeling pressured, he once again opens his zip, and yet again out comes his penis, grabs a bun and disappears. In hysterics, his friends all shout for him to repeat it, but he steadfastly refuses.

"C'mon, what's up with you? You can't show us something like that and not expect us to want to see it again!" The guy sighs and replies, "Yeah? Well it's not your arse he's shoving those buns up!"

What's worse than a cardboard box? Paper tits.

Porn Stars In TV Shows.

Six Of The Breast

You may notice the absence of Auntie Em, who has finally hung up her G-string and headed to pastures new. Instead, we bring you the brand spanking new (well, it was last issue!) Six Of The Breast for you to feast your eyes on!

This issue, we bring you Six of the Breast... porn stars in TV shows. It's not surprising that male TV executives can often find a role or cameo for a cock-wrangling porn star they probably wank over in their hotel rooms...

Porn Star: **Stormy Daniels**

Who? Stunning Stormy Daniels has had a glittering 13-year career as an actress and has made an impressive 153 movies, so it's hardly surprising she went on to direct her own flicks (she's clocked up 45 so far). With her flowing blonde locks and 36DD-24-36 curves, the 34-year-old Wicked Pictures contract star and former Penthouse Pet still easily holds her own against her younger XXX rivals, as she proves in Wicked's latest smash, *Divorcees*, in which she takes a messy load over her beautiful face.

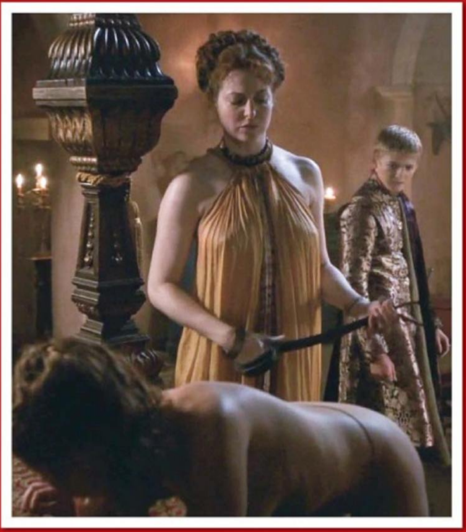
TV Show: *Party Down*

Year Appeared: 2009

Big Part? Relatively, for a one-episode guest spot. Playing a – wait for it! – porn star called Macy at an adult awards show, Stormy proves that she really can act, and steals the scenes she's in!

Kit Off? Nah, but she does wear a see-through evening gown and no bra, while holding a cock-shaped award, so points for trying.

Worth A Watch? Yes, you should! Stormy or no Stormy, *Party Down* is pretty hilarious and well worth checking out, so do so. Now.



Porn Star: **Masie Dee**

Who? A long-time favourite of our sister magazine, *Escort*, Manchester-born Masie and her 30D-25-30 charms have been making men weak at the knees since 2008. Having worked for studios like TVX and Your Choice, with titles such as *Dave's Damp Tramps 1 & 3* and *On a Dogging Mission 21* under her belt, no explanation should be needed as to how filthy the 28-year-old is.

TV Show: *Game Of Thrones*

Year Appeared: 2012

Big Part? Ish. Ms. Dee plays Daisy, a prostitute in season 2 – along with fellow British star, Sahara Knite – and has a number of lines over the three episodes she's in. Although her last scene is ambiguously left, sweet-looking Masie shines in her scenes with the magnificent Peter Dinklage (The Imp) and evil King Joffrey.

Kit Off? Oh, yes! We're talking full-frontal nudity, pretty much the whole time she's on screen! She also gets it on a few times with Sahara, drapes herself across the lap of a couple of male co-stars and has a pretty intense spanking scene with regular cast-member and fetish model, Esme Bianco, which results in a pretty brutal beating. Oh yeah, spoiler alert!

Worth A Watch? Are you kidding? *Game Of Thrones* is a must-see for many reasons – not least the amazing script, the brilliant acting and the very imaginative ways in which people are killed! Oh, and did we mention there's more than a few tits 'n' arses on show?

Porn Star: **Jenna Jameson**

Who? We're sure we don't really have to tell you who Jenna Jameson is, but just in case you have been buried under the proverbial rock for the last two decades, the 5'4" blonde bombshell who boasts a 32DD-22-33 figure and 'heartbreaker' tattooed on her arse, made 163 mucky movies in her 18-year career, so it's little wonder she has a massive fanbase worldwide and has been voted the best pornstar of all time.

TV Show: *Jenna's American Sex Star*

Year Appeared: 2005-2006

Big Part? Well, yes. The whole show centres around the retired fuckbunny, even if she is only the host.

Kit Off? Unsurprisingly, the star herself stays robed at all times – albeit in barely-there bits of material – but that's fine, as the contestants (who are almost constantly starkers) include such hotties as Rita Faltoyano, Brea Bennett, Charlotte Stokely and Michelle Maylene. Jenna who?

Worth A Watch? As a novelty, maybe once or twice – just for the sexy contestants' fucking. Jenna's way past her best and as she doesn't get her kit off anymore, everything she's done since retiring except her *Family Guy* voiceover is fucking tripe. No offence.

Porn Star: **Gina Lynn**

Who? She may have quit the jizz biz last year, but the 5'2" beauty still makes our list – her 34D-24-34 charms have captivated us, and her fans alike for the last 13 years, so much so, she was the contract girl for our *Club US* magazine for years. Having worked for everyone from Hustler to Digital Playground, the Latina lovely went on to direct 28 titles of her own, including our personal fave, the very wankable *I Love Gina 1* & *2*. Which we do.

TV Show: *The Sopranos*

Year Appeared: 2004

Big Part? For an extra, definitely! Gina was a Bada Bing Girl (stripper) in four separate seasons, and our eagle eyes spotted her every time!

Kit Off? Top bollocks out for every appearance… That's our gal!

Worth A Watch? Yes. Yes. Yes. Watching *The Sopranos* should be on every human bean's bucket list. Seriously.

Porn Star: **Bree Olson**

Who? Texan cutie Bree Olson has made a whopping 260 movies since beginning in 2006, and despite her wholesome girl-next-door looks, her filthy tastes include anal, creampies and A2M, much to the delight of fans across the globe. Catch her in Hustler's *Anally Yours... Love, Bree Olson*.

TV Show: *Keeping Up With The Kardashians*

Year Appeared: 2007

Big Part? As much as anyone who doesn't have an arse the size of a bus can have on that show. Probably the best thing associated with the Kardashians – apart from Kanye West, but you can't blame him for tapping that – Bree's appearance only lasted one episode, but it was the highlight of the reality show's nine series.

Kit Off? Unsurprisingly, no. Having been 'hired' as a housekeeper/nanny, the sexy blonde wanders around in a fabulously small bikini, before whipping the top off for a spot of topless sunbathing – and treating the viewers to a nice bit of side-boob in the process! Nice one, Bree!

Worth A Watch? We're sure we don't have to tell you that not even the sight of Ms. Olson's firm cleavage is worth watching that shit. Obviously.

Porn Star: **Sasha Grey**

Who? Sasha Grey made her name in the adult biz from her enthusiastic and edgy performances in her pornos, and dark on-screen sexual tastes – which included DP, gagging and bondage. After four years and 269 titles, the 32B-26-31 brunette with the big bush retired in 2010, concentrating instead on her mainstream career, which is going very nicely, thank you.

TV Show: *Entourage*

Year Appeared: 2010

Big Part? Yep. She had a recurring role in the popular HBO series as girlfriend of the show's star Vincent Chase.

Kit Off? Yup! Not only do we see Ms. Grey romp with that lucky bastard Adrian Grenier in skimpy undies, the minx also goes skinny-dipping – giving us a great view of her perfectly-coiffed thatch and pert tits. Hoorah!

Worth A Watch? Hilarious and well made; if you haven't seen *Entourage* yet it's definitely something you should rectify, as soon as possible!
